Dear Parents/Guardians,

P1 Learning Journey to River Safari

In conjunction with the STELLAR book entitled "My River" and with our school's focus on outdoor learning and environmental education, we will be going on a learning journey to the River Safari on 12 & 13 April 2017. At the River Safari, our students will learn about many marine creatures as well as conservational issues like water pollution and deforestation. They will also be able to see the animals found in the book "My River". These animals include eels, water beetles, salamanders and many more. One of the main focuses for this learning journey is to extend their use of adjectives to describe the animals. In addition, they will also learn proper social etiquette like no shouting in a public place and also not to use flash photography which may harm the animals there. After the Learning Journey, the students will also be expected to complete a class dictated story to recount their experiences at the River Safari.

The Learning Journey details are as follows:

Day/Date	12 April 2017, Wednesday (Class 1A, 1B, 1C, 1G) & 13 April 2017, Thursday (Class 1D, 1E, 1F, 1H)
