Dear Parents/Guardians,

**PRIMARY TWO TERM 2 HOLISTIC ASSESSMENT MATTERS**

Assessment, an important aspect of teaching and learning, is used to support the holistic development of our students. At Primary 1 and 2, our key focus is on helping our students build the confidence and desire to learn as well as to guide them to take ownership of their own learning.

Various weighted bite-sized forms of assessment will be conducted for our Primary 2 students from Term 1 to Term 3. In Term 4, there will be a Semestral Assessment which serves as a culmination of their learning for the entire year.

With regard to assessment matters, please take note of the following:

- All absences during the assessment periods **must be substantiated** with a **Medical Certificate**.
- Letters from parents are **not** acceptable on days of assessment(s).
- **There will be no make-up assessment.** Absentees will be allowed to take the assessment(s) on another day. However, the marks scored will not be taken into consideration towards the computation of grades in his/her result slip at the end of the year.
- **No extra time will be given to latecomers.**
- With **integrity** being one of our school's core values, we place great emphasis on honesty in our students. As such, disciplinary action will be taken against students who are caught cheating or engaging in acts of dishonesty/disruption during the assessments.

Please refer to the attached document for more details on the Primary Two Term 2 Holistic Assessment schedule and ensure that your child/ward is prepared for the assessments. Do feel free to contact your child/ward's respective subject teachers should you have any queries.

Thank you.
