14 September 2017

Dear Parents/Guardians,

P1 The King's Cake Sandwich Making Activity

In conjunction with the STELLAR book titled 'The King's Cake' and our school's focus on experiential learning, the Primary One students will be making sandwiches in school on **19 September, Tuesday** during their English lessons. Through this activity, students will learn how to make a sandwich using the ingredients and materials provided. Students will be using ingredients such as bread, kaya, sugar, butter, Nutella and cheese to make their sandwiches. Students must inform their teachers of their dietary restrictions or food allergies before consuming the sandwich.

After the sandwich making activity, students will relate their learning experiences as part of the class Modified Language Experience Approach (MLEA) writing using the vocabulary learnt. This important component of STELLAR focuses on scaffolding the writing process for each child after they are provided with the experience.

Please sign and return the reply slip below to the respective Form Teachers through your child/ward by **Monday, 18 September 2017**.

Thank you.

Yours sincerely,

Mrs Seah Lay Tin
Principal
