Dear Parents/Guardians,

PSLE Marking Days/Primary 5 E-Learning Days

Please be informed that 19, 20, 23 and 24 October 2017 are PSLE Marking Days and our teachers will be deployed for this marking exercise. Students are not required to be in school on these 4 days. To support your child's learning, our teachers have assigned e-lessons on our school's Learning Management System (LMS).

Your child/ward will be able to login to the system on 19 October, from 8.00 a.m. onwards to access the English, Mathematics, Mother Tongue and Science lessons. Our teachers will conduct a familiarisation exercise to guide students on how to access the online lessons and assignments.
