Dear Parents/Guardians,

SMOKING (PROHIBITION IN CERTAIN PLACES) ACT

The Smoking (Prohibition in Certain Places) Act, administered by the National Environment Agency (NEA), aims to protect members of the public from the harmful health effects of second-hand tobacco smoke. The long term goal is to prohibit smoking in all public areas, except at Designated Smoking Areas (DSAs).

2 Under the Smoking (Prohibition in Certain Places) Act, smoking is prohibited within five metres of educational institutions, including kindergartens, child care centres, special education schools, madrasahs, primary schools, secondary schools, junior colleges / centralized institute, polytechnics, the Institute of Technical Education campuses, PEIs and autonomous universities.

3 To protect the well-being of our students and members of the public, we seek your co-operation to observe the smoking prohibition as stated above.

Thank you.

Yours sincerely,

Mr Goh Chang Chuen
Vice-Principal
