Managing risks online

- Talk to your child about hand phone usage and agree on some rules to guide them on screen time during school days.
- Be aware of who they are talking to or websites they are surfing. Advise them to be wary of not disclosing personal information and why.
- If your child is into gaming, do discuss with them to gradually reduce their gaming time from holidays to term time. Get them to understand the consequences if they allow gaming to take over their time.
