Future-Ready Leaders With The Heart For Others

OUTLINE OF TODAY'S SHARING

- 1 Intent of PSLE
- 2 Understanding how the PSLE Scoring System works
- 3 Understanding Full Subject-Based banding and Secondary 1 Posting Exercise
- 4 Choice of Secondary School & DSA
- 5 PGPS Performance at PSLE 2023
- 6 Tips for Parents: Strategies in Supporting Your Child to Achieve Academic Excellence

WHAT IS THE INTENT OF THE PSLE?

1. A useful checkpoint at the end of primary school

2. Allow students to gauge their strengths, interests and areas for growth

3. A fair tool to determine secondary school posting

HOW THE PSLE SCORING SYSTEM WORKS

FROM T-SCORE TO SCORING BANDS

FROM T-SCORE TO SCORING BANDS

The Achievement Level (AL)

- Students' AL for each subject reflect their actual level of achievement, **not** how they have performed relative to their peers.

AL	RAW MARK RANGE
1	≥ 90
2	85 – 89
3	80 – 84
4	75 – 79
5	65 – 74
6	45 – 64
7	20 – 44
8	< 20

GRADING OF FOUNDATION LEVEL SUBJECTS

- Foundation subject grades are graded in scoring bands from **AL A to C**.
- To derive a student's overall PSLE Score for S1 Posting, AL A to AL C for Foundation level subjects are **mapped to AL 6 to AL 8 of Standard level subjects respectively**.
- Similar to the PSLE T-score system, this mapping is based on the learning and assessment load of the subjects and informs students of how ready they are for the curriculum in secondary school.

FOUNDATION LEVEL AL	FOUNDATION RAW MARK RANGE	EQUIVALENT STANDARD LEVEL AL
A	75 – 100	6
B	30 – 74	7
C	< 30	8

GRADING OF MOTHER TONGUE EXEMPT STUDENTS

- For students exempted from MTL, due to extenuating circumstances, an MTL score will be assigned to them to get their overall PSLE score using a similar system as T-score:
 - Take reference from peers with similar scores for English, Mathematics and Science scores
 - Maintain parity of treatment with students who take Foundation MTL (who will score between AL 6 to AL 8)
- Hence, students exempted from MTL will receive an MTL score between **AL 6 to AL 8.**

4 SUBJECT ALS WILL BE ADDED TO FORM THE OVERALL PSLE SCORE

- The PSLE Score can range from 4 to 32, with 4 being the best possible total score.
- Students are placed in secondary school based on their **school choice order** and **school's cut-off AL score**.

or
- (ii)** An overall PSLE Score of **9 to 14 (inclusive); and** attain
 - **AL 1 / AL 2 in MTL or**
 - **Distinction / Merit in HMTL**

- The eligibility criteria for taking HMTL takes reference from past criteria.
- It ensures students can cope with the higher academic load.
- Secondary schools continue to have the flexibility to offer HMTL to students who do not meet the criteria if they:
 - have high ability and interest in MTL, and
 - are able to cope with the learning load required.

PATHWAYS TO SECONDARY SCHOOL

PSLE/S1 Posting Exercise

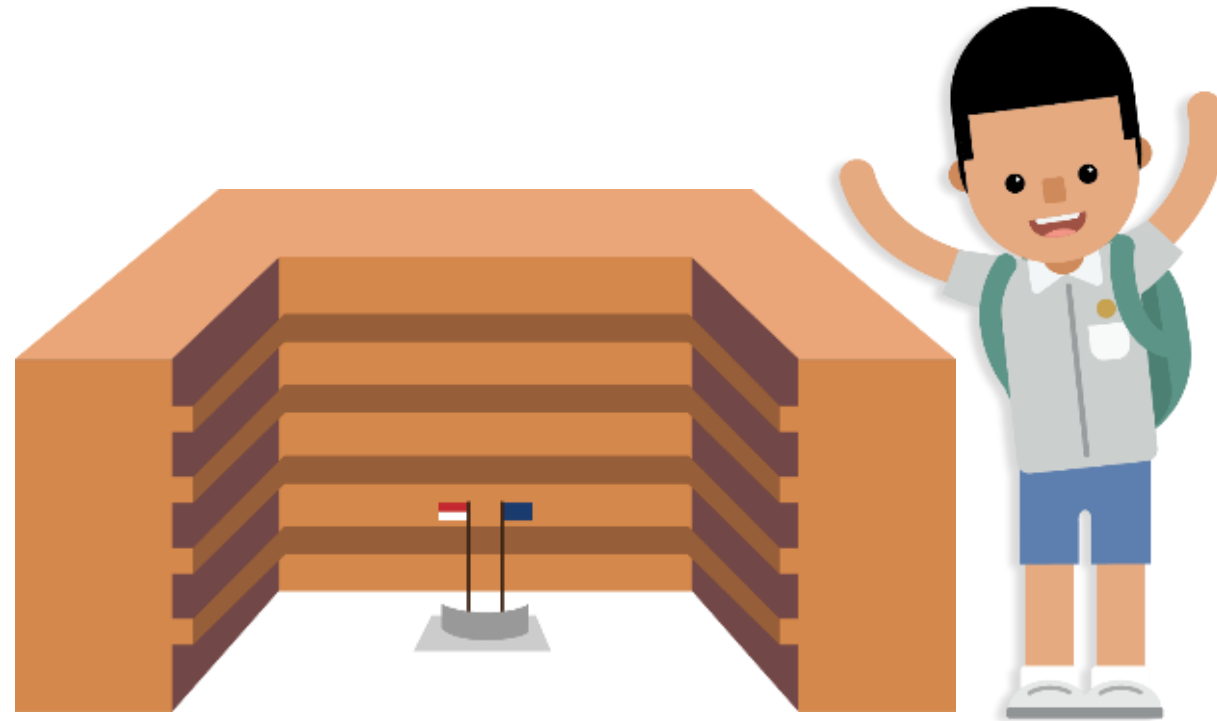

- Based on a student's **PSLE score (Total AL score)**
- **Most students enter secondary schools this way**

DSA-Sec

- Based on a diverse range of **talents and achievements in specific academic subjects or non-academic areas, beyond what the PSLE recognizes**
- Allows students to **access school programmes to develop their talents**

UNDERSTANDING HOW THE S1 POSTING SYSTEM WORKS

CHOICE ORDER OF SCHOOLS MATTERS!

- Students continue to have six choices in selecting their secondary schools.
- Similar to past years, students continue to be posted to a secondary school based on academic merit, i.e., PSLE Score, and their school choice order.
- If there are two or more students with the same PSLE Score vying for the last remaining place(s) in a school, the following **tie-breakers** will be used in the following order:

1. CITIZENSHIP

2. CHOICE ORDER OF SCHOOLS (New tie-breaker from 2021 onwards)

3. COMPUTERISED BALLOTING

- The new tie-breaker based on school choice order recognises the different considerations that families have in making school choices.

Tie-breakers

in the new S1 Posting System

Tie-breakers are used only if there are two or more students with the same PSLE Score vying for the last available place(s) in a school.

5 students are vying for the last places in the schools of their choice.

Students with better scores will be posted first

Jane has a better PSLE score. She will be posted first, to **School A**.

Bryan, Mary, Alan and Rina have the same score.

As Jane has taken the last available place in School A, Bryan, Mary, Alan and Rina will vie for the last available place in their next choice, **School B**.

Tie-breaker #1: Citizenship

Bryan and Mary are Singapore Citizens. They will have priority to enter **School B**.

Alan and Rina will be tie-broken out as they are Permanent Residents. They will be considered for their next choice, **School D**.

Tie-breaker #2: Choice order of schools

Because Bryan ranked School B higher than Mary, he will be posted to **School B**.

Since Bryan has taken the last place in School B, Mary will be posted to **School C**.

Alan and Rina have both ranked School D as their third choice. They will go through computerised balloting to vie for the last remaining place in **School D**.

Tie-breaker #3: Computerised balloting

Through computerised balloting, Alan is posted to **School D**.

Since Alan has taken the last place in School D, Rina will be posted to her fourth choice, **School E**.

USING HCL FOR ADMISSION INTO SAP SCHOOLS

Students who obtained a Distinction/Merit/Pass for HCL at the PSLE and an overall PSLE Score of 14 or better will receive a posting advantage when applying to SAP schools.

- Students with better PSLE score will be posted first even if the student has not taken HCL in primary schools.
- ONLY if 2 students with same PSLE score apply for the same SAP school, student with better HCL will be posted first.

Students will be considered for admission to SAP schools in the following order:

1st		7	NO HCL
2nd		8	DISTINCTION
3rd		8	MERIT
4th		8	PASS
5th		8	NO HCL
6th		9	DISTINCTION

Students with better PSLE Scores will be posted first, even if they did not take HCL.

Amongst students with the same PSLE Score, those with better HCL grades will be posted first.

CHOOSING SUITABLE SECONDARY SCHOOLS WITH YOUR CHILD

SCHOOL CHOICE JOURNEY

- The PSLE Score ranges are a **useful reference point** for parents and students to consider secondary schools.
- Use this information, together with other **important factors** such as the
 - **secondary schools' distinctive programmes**
 - **CCAs**
 - **ethos and cultures**
 - **proximity to home**to shortlist schools that would best fit the educational needs of the student.

PSLE SCORE RANGES FOR INDIVIDUAL SECONDARY SCHOOLS

PSLE SCORE RANGES FOR ALL SECONDARY SCHOOLS

- Use the PSLE Score ranges as a reference alongside other important factors, such as the school's distinctive programmes, Co-Curricular Activities (CCA), culture, ethos, and proximity to home when shortlisting school choices that would best fit your child's educational needs.
- The 2023 PSLE Score ranges for individual secondary schools will be available for your reference on <https://moe.gov.sg/schoolfinder> and <https://go.gov.sg/exploreschools>. They reflect the PSLE scores of the student posted into these schools at the 2023 S1 Posting Exercise.
- A school's **PSLE Score range** (including Cut-Off-Point) for a particular year is not pre-determined before the posting, and **may vary from year to year**, depending on the current cohort's PSLE results and their school choices in the current year's S1 Posting Exercise.

PREPARING FOR THE S1 POSTING EXERCISE

Use **all 6 options** with a range of Cut-off Points as this will increase your child's chances of being posted to a school of his/her choice.

Take reference from schools' PSLE Score ranges, which serves as a guide for you and your child to shortlist school choices. Consider at least 2-3 schools where your child's PSLE Score is better than the school's Cut-off Point.

PREPARING FOR THE S1 POSTING EXERCISE

Shortlist schools that offer programmes that cater to your child's strengths and interests, and that provide suitable learning environments.

Rank your child's preferred school higher in the school choice order. This will increase your child's chances of being posted to that school, if tie-breakers are required.

Tips for Parents in Choosing Secondary Schools

Be open and flexible when discussing your child's preferences, needs and choices.

Manage your own expectations and do not project these expectations onto your child.

Have regular conversations with your child to understand more about his/her interests and aspirations.

Affirm your child and offer support when he/she shares his/her plans with you.

DIRECT SCHOOL ADMISSION – SECONDARY (DSA–SEC)

WHAT IS DSA-SEC?

- Direct School Admission for secondary schools (DSA-Sec) allows students to gain direct entry to certain secondary schools **based on their talent in sports, CCAs and specific academic areas**, before taking the PSLE.
- Enables students to enter academic and non-academic programmes in secondary schools that can develop the students in these areas (e.g. sports and games, aesthetics, leadership, uniform groups etc.)
- Every secondary school offers distinctive programmes and sets its own selection process and criteria to admit up to 20% of its students with talents who can be further developed by their programmes.

DSA-SEC SELECTION CRITERIA

Schools have different selection criteria, but in general, applicants must be able to demonstrate a high level of ability in that talent area.

For example, your child might have:

- represented the school in a CCA
- held a prominent role in a play or performance
- Shown talent in oratorical skills or creative writing
- held a leadership role in class or a CCA

Note: *Academic results and non-academic school-based achievements will be shared automatically to the school that you have chosen*

IS THE DSA-SEC RIGHT FOR MY CHILD?

If your child has specific **talents** which a school offers the DSA in, and is **passionate** about and **committed** to developing his/her strengths and interests...

DSA can support his/her development in that talent area.

WHO CAN APPLY?

All Primary 6 students can apply for DSA-Sec based on a wide-range of talents, including:

- Sports and games
- Visual, literary and performing arts
- Debate and public speaking
- Science, mathematics and engineering
- Languages and humanities
- Uniformed groups
- Leadership (for example, prefects)

WHICH SCHOOL SHOULD MY CHILD APPLY TO (DSA-SEC) ?

- Look for a school with **programmes that match your child's strengths and interests**
 - Schools are looking out for students whose interests and talents they can develop further.
 - Learn more about the secondary school's **pace of learning** and overall range of programmes
- **Get the latest information** about what each school offers by:
 - Visiting schools' websites
 - Attending schools' Open Houses to also experience the environment and their culture
 - Visiting the MOE's DSA-Sec website (will be updated around April)

WHAT ARE SCHOOLS LOOKING FOR?

→ The selection process differs across schools, and across different DSA-Sec categories.

→ In general, schools are looking for candidates with:

Talent, Passion and Commitment

- Schools may look at **achievements** and **participation** (e.g. in Junior Sports Academy).
- Schools may also conduct tests, trials or selection camps to identify students with **strengths, or strong fundamentals and potential** in particular areas.

Strong personal qualities

- Schools may look at CCA records and Values in Action (VIA) participation.
- Schools may also conduct interviews.

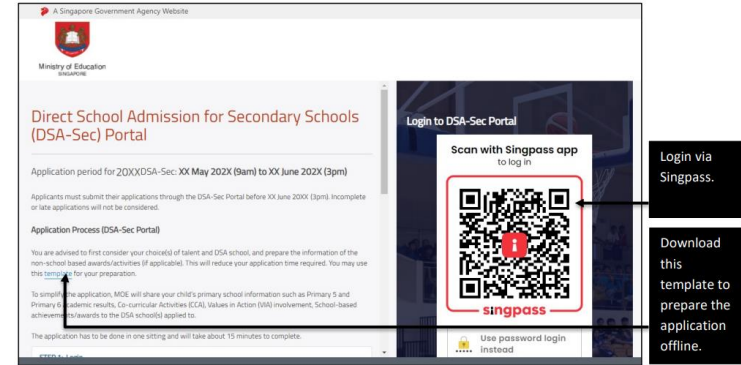

Good academic fit

- Schools may look at primary school results to ensure students can benefit from the school's pace of learning.

FEATURES OF DSA-SEC PORTAL

(ONLY ACCESSIBLE DURING THE DSA-SEC APPLICATION PERIOD: MAY TO EARLY JUNE)

- 1 Enter website <https://go.gov.sg/apply-dsa-sec>
- 2 Login using Singpass
- 3 Look for the child's particulars and click "APPLY" to start the application process.
- 4 Indicate 3 choices of talent areas (*Choice order DOES NOT matter*)
**Maximum of 2 choices can be used to apply to same school of 2 different talent areas.*
- 5 Follow prompts on the website to proceed and submit the online application.
- 6 Download PDF copy of successful submission of application for your reference.

IF YOUR CHILD HAS A DSA CONFIRMED OFFER, DOES IT MEAN THAT HIS PSLE RESULTS WILL NOT MATTER?

Your child's PSLE results will still be **used to determine the secondary school posting group that he/she is eligible** for [i.e. PG1, PG2 or PG3]

Even if your child has a confirmed offer, he/she **must qualify for the posting group offered by the school** to be successfully admitted through the DSA.

Note:

If your child is admitted through DSA-Sec, they must commit to their chosen school for the duration of the programme. They are not allowed to submit school choices during S1 Posting or transfer to another secondary school.

QUESTIONS / QUERIES CAPTURED THROUGH PG

After school activities related Questions

When will CCA activities stand down?

Primary 6 students will officially **stand down from CCAs from Term 3 onwards**. This is to allow students more time to revise their work and prepare for PSLE in Term 3 and 4.

What is the schedule for P6 supplementary during school holidays?

It is **currently planned to take place during the last week of the June holidays and last two days of September holidays**. Details on the holiday schedule will be shared via Parents Gateway at a later date.

QUESTIONS / QUERIES CAPTURED THROUGH PG

DSA related Questions

If my child is offered a DSA-Sec place in secondary school, does he still need to meet the cut-off point for the secondary school's admission ?

To be successfully admitted to a school through DSA, your **child's PSLE results must qualify them for the PG offered** by the school.

Hence, PSLE result is important even if a child already has a confirmed offer for DSA application.

Can we apply for DSA after release of PSLE results?

DSA-Sec allows Primary 6 students to apply to secondary schools before taking PSLE. Parents have to submit the DSA application within the window period which is usually in May.

Students who did not apply for DSA or are unsuccessful in their DSA application will have to **take part in the S1 posting exercise after the release of PSLE results.**

QUESTIONS / QUERIES CAPTURED THROUGH PG

DSA related Questions

When applying for DSA, which school result is considered by the Secondary school? Do we need to provide proof?

Your child's primary school information will automatically be shared with the applied DSA-Sec school(s). This information includes your child's P5 and P6 academic results, and other information from P4 to P6, i.e. Co-curricular Activities (CCA), Values in Action (VIA) involvement, School-based achievements and awards such as Edusave awards, National School Games and Junior Sports Academy participation.

*You **do not** need to key in this information.

*Application will be done online through DSA-Sec Portal

QUESTIONS / QUERIES CAPTURED THROUGH PG

DSA related Questions

When you enter Secondary school through DSA, does it mean you cannot change CCA in Secondary school?

You are **expected to be committed to the CCA**. Students must commit to the chosen school for the duration of the programme. However, if the situation changes, you can always approach the secondary school for advice.

What kind of support will the school provide a child who is applying for DSA-Sec?

Depending on the DSA talent area applied for, the **school can offer support where applicable**:

- DSA visual arts – School will support students in giving feedback to improve their portfolio
- DSA Sports/performing arts (For a sport that is an offered CCA in PGPS) – Time and space may be made available to the student for his/her extra practice when preparing for try-outs/audition

If interview sessions are arranged, they may seek advice from their FT or CCA teacher.

QUESTIONS / QUERIES CAPTURED THROUGH PG

How many DSA-Sec vacancies are offered by the participating DSA-Sec schools?

Integrated Programme (IP) schools generally admits about **30%-35%** of their Secondary 1 IP intake through the DSA-Sec.

Other **non-IP schools** can admit up to **20%** of their Secondary 1 intake through DSA-Sec.

Specialised independent schools such as NUS High School of Mathematics and Science, School of the Arts (SOTA), School of Science and Technology, Singapore Sports School **can admit 100% of their student through the DSA-Sec.**
