### WATER RATIONING EXERCISE – 28 MARCH 2019

Dear Parents/Guardians,

World Water Day is an initiative that grew out of the 1992 United Nations Conference on Environment and Development (UNCED) in Rio de Janeiro. Since then, The United Nations General Assembly designated 22 March of each year as the World Day for Water.

Every year, Singapore celebrates World Water Day in March as part of a nation-wide effort with a focus on water conservation. Punggol Green Primary School will be commemorating World Water Day 2019 on Thursday, 28<sup>th</sup> March to inculcate water-saving habits among our students. As part of our commemoration, the students will be involved in a water rationing exercise. During the exercise, water supply to the water coolers will be turned off. Students will still have access to drinking water as jerry cans will be placed outside the classrooms.

Water supply to the water coolers will be turned back on at the start of recess.

Thank you.

Yours sincerely,

Mdm Soo Geok Ling  
HOD CCE

Mr Goh Chang Chuen  
Vice - Principal
