A SMOOTH TRANSITION TO MK
You and your child will be invited to an orientation session before the start of the K1 year, where you will meet with the kindergarten teachers and classmates. This session will help to induct your child to the new learning environment.
FIRST TWO DAYS OF TERM 1

A Smooth Transition to MK

For the first two days of Term 1, you are welcome to accompany your child to the MK to help him or her through the routines in the kindergarten. You can also highlight your child’s habits to the teachers.

Teachers at the MK will keep a look out for children who experience adjustment challenges and work together with the parents to support the child’s transition to the new learning environment.
